Fax: 780-786-4810

As 2021 draws to a close, The Lac Ste. Anne Foundation **wish** to shine a light on all of the many wonderful volunteers, donors, and supporters of our Senior Lodge sites.

Our residents are blessed and very fortunate to have the number of community groups, family members, businesses and individuals that truly care about their health and well being.

As the saying goes "it takes a village" and it is amazing each year to look back at what our supporters have provided for our residents.

It is important for community members not to forget our seniors who might need a little help, kindness, compassion and emotional support, we can give back to our elders and enrich our own lives as well.

I can give a few examples of the generosity but I encourage everyone to visit our website [www.lsaf.ca](http://www.lsaf.ca) to view our monthly newsletters which showcase not only the events at our lodges but also our wonderful residents and staff members.

A project in the works for our site in Onoway is to build a new gazebo and has had many donations towards its build.

In Mayerthorpe the site furniture has taken a hit with all the sanitizing, which has prompted the need for re-upholstering.

Knowing how much we all enjoy the outdoors, patio furniture and fountains were provided in our Lodge in Whitecourt.

The appreciation extends further than the monetary & material items. Our volunteers are just as valued, there are so many things they provide to our residents that brighten their lives.

Our wish for you the supporters of The Lac Ste. Anne Foundation is to enjoy a wonderful Christmas Season and health and prosperity for 2022. Your support is greatly appreciated by everyone.
